**UNOPPOSED MOTION FOR A SIXTY-DAY BRIEFING
PERIOD FOR RESPONDENT**

Pursuant to Rule 27 of the Federal Rules of Appellate Procedure and Circuit Rule 27, Respondent Federal Energy Regulatory Commission moves this Court to include in its briefing schedule a period of 60 days between the filing of Petitioners' opening brief and the Commission's brief in response. Because the Commission has numerous cases before this and other Circuits at any given time, the requested 60-day briefing interval facilitates efficient coordination of the Commission's case load and lessens the possibility of being forced to seek an extension after a briefing schedule has been established.

Counsel for the Commission has contacted counsel for Petitioners, who confirmed that the Petitioners do not oppose this request.

Respectfully submitted,

Robert H. Solomon
Solicitor
